MEMORANDUM FOR CHAIRMAN JOINT TOPOGRAPHICAL SUBCOMMITTEE:

Subject: JANIS Costs.

1. While the subject of cost of production of JANIS publications has not been a paramount consideration, this Board has carefully supervised these activities and exerted every endeavor to keep unit costs within a reasonable figure.

2. As a result of this surveillance of costs, the attached table (Inclosure #1) is submitted as a matter of interest to the participating agencies. These figures are direct, out-of-pocket charges for processing of illustrative matter into half-tones and zinc plates, paper and pouches, composition, printing, binding, and delivery of the final product. They do not include inter-departmental costs such as work of Hydrographic Office, Army Map Service, Reproduction Branch-Office of Strategic Services, and other such contributing operations.
